KILLERIG
GOLF CLUB
November 2009

Going back to August 30th, we had our Presidents Prize Day and as always Lady President Vicky Clarke made sure a fantastic day was had by all despite the weather!!

Over 90 members played on the day although in the wind and rain a few couldn't make it through the full 18 hole round but of course, never leaving anyone out, Vicky was straight up with a prize for the best 9 holes!

The overall winner on the day was Michael O'Hanlon with an amazing score of 43 points. That was powerful hitting to get through the conditions on the day and come in with a score like that so it was more than deserved and everyone was delighted for Michael who has been a member with us since 2006. Runner- Up was Tony Quigley, who nearly lost his shirt on the day with 41 points and Winner of the Ladies Prize was Maureen O'Dea with 31 points.

There was great craic in the bar after the days golf was done and everyone enjoyed their meal. We hope you all enjoyed the day as much as we did & we hope it is as successful next year.

We have had so much going on in the last few months that we have a lot to fill you in on. Between Charity, Classics, societies, social nights, etc we have thankfully had a very successful few months. Alas, the long, dark evenings are now upon us but we hope that won't deter our die-hard golfers from getting out for a round during the week. We also hope that the winter is kind to us and our Sunday morning Men's competitions won't be hindered too much by bad weather. Although we have not yet quiet reached the end of the year we feel Killerig has grown a lot the last few months in both spirit and numbers and we hope this continues into 2010 when we will be celebrating our 10th anniversary.

We now have a fantastic new website up & running where everyone can find out anything they need to know about Killerig Golf Club. www.killerig-golf.ie has pages on membership, societies, the Pro Shop, social activities and more. Every month we will be posting a newsletter to the website for your information to help keep everyone up to date on goings on in the club. Results for competitions will also be available as soon as possible after each comp is closed. Check it out now & let us know what you think!
